PAID Traffic Sources

There are basically three top sources for paid advertising, Facebook ads, Google Adwords/PPC and Solo ads. Each of these types of ads work differently and we will provide free training on each when you join our Facebook group and Youtube channel.

One of the best ways to get started with paid advertising is using Solo ads. The reason is, even if you don't have a list of your own, using these solo ad networks you can send email messages to another persons' list starting today.

Solo ads allow you to start building your own list instantly by leveraging other people's lists. Below you will find two of the best sources for solo ads used by the TOP income earners online. You can get started building your own list and making money with a budget as small as \$50.
